# Research Destination Turkey:

## Workshop Series on “European and National Funding Opportunities for Brain Circulation, R&D Cooperation and Research Career

*The Scientific and Technological Research Council of Turkey (TÜBİTAK) will organize a series of workshops on April, 10-12-14, 2012 in Maryland, New York and Chicago.*

*The event aims at creating awareness on recent developments in Turkish Research Area, national and international research funding mechanisms for reintegration or sabbatical to Turkey.*

*The Road Show of the Turkish Universities and Research Performing Organizations will provide an opportunity to the participants to meet with their potential employers.*

*You are kindly invited to have a seat at one of these workshops which will have the same agenda and get in touch with future employers.*
